FREEDOM'S DEFENSE FUND

30 DAY POST-GENERAL REPORT (10/16 - 11/24/2014)

## REQUEST FOR ADDITIONAL INFORMATION

## EXCESSIVE CONTRIBUTION RECEIVED:

Schedule A of the report disclosed a contribution from Capt. Tatnall Lea Hillman that when aggregated, created an excessive contribution. The committee issued a refund check in January, however to date, it has not been cashed. A re-issue of the original check is being considered.

## EXCESSIVE CONTRIBUTIONS MADE:

Schedule B of the report disclosed contributions made to candidates that appeared to have exceeded the \$5,000 contribution limit. However, in three (3) instances the General Election code was used when in fact, the Primary Election code should have been used. The committee has amended its reports to reflect the following changes:

08/01/2014	\$3,500	Primary Contribution	Dr. Charles "Trey" Thomas for Congress
------------	---------	----------------------	--

07/30/2014	\$2,500	Primary Contribution	Clint Didier for Congress
------------	---------	----------------------	---------------------------

08/19/2014	\$5,000	Primary Contribution	Marlinda Garcia for Congress
------------	---------	----------------------	------------------------------

These correction eliminate any appearance of excessive contributions.
